18. E-AUCTION PROCESS

- i) The eligible bidders shall only be allowed to participate in the E-Auction. The online E-Auction shall be conducted in www.tenderwizard.com/OSHB portal only using their login credential of Class III Digital Signature obtained in Stage 1, i.e., during uploading of required documents and the Bidders shall keep themselves ready for the e-auction.
- ii) The bidder who quotes the highest bid amount shall be declared as the "Preferred bidder".
- iii) The bidding parameter for selection of the Preferred Bidder, subject to other Qualification Criteria and eligibility criteria being met, would be the Highest Upfront Lease Premium (ULP) to be quoted by the Bidder (in INR) in the E-Auction.
- iv) The bidding will be conducted in Indian Rupees (INR) only. The bid will trigger off from reserve price.
- v) **Bid Start Price:** The bid will trigger off from this price and is the same as offset price + (Plus) one incremental value.

- vi) **Incremental value:** Incremental Value for this auction is Rs.10,000/- (Rupees Ten Thousand) only. Minimum Bid increment shall be available to the Bidders at the start of the auction. The bidder can bid higher than the Highest Bid (H1 Price) at any point of time in the auction by multiples of the minimum Bid increment. The minimum incremental value shall be displayed on the bidding screen of all participating bidders. The software will not accept any bid other than the multiple of incremental value.
- vii) **H1 Price:** It is the highest value placed in the bid at any point of time during the auction for the material. It will be visible to all the bidders on the screen and the bidders can bid an amount of "H1price+ (plus) incremental value or in multiples of incremental value" only.
- viii) **Auto Auction extension of the Closing time.**
- a) **Auto Extension:** if any bidder submits the bid less than 5 minutes prior to Auction closing time, the system will automatically extend the auction closing time by 10 minutes.
- For Example:** *If the auction is closing at 17:00 Hrs and if any bidder bids between 16:55 and 17:00 , the auto auction extension will extend the auction closing time to 17:10 , and if any bidder bids between 17:05 and 17:10, it will be extended to 17:20 and so on.*
- b) **Unlimited Auto auction extension:** As indicated above, if the bidder bids within the last 5 minutes of the auction closing time, the Auto Auction extension will continue to extend the Auction time till no bid is received within the last 5 minutes of the auction closing time.
- ix) **Auto Bid:** The Auto Bid feature allows Bidders to place an Automated Maximum Bid in an auction and bid without having to enter a new amount each time a competing Bidder submits a higher offer. Bidders are supposed to quote their next highest price in confirmation of the incremental value and in multiples of thereof only. There is no restriction on changing of the Auto Max Bid/value. But once Auto Max Bid/value is clicked and freezed, the same cannot be withdrawn at any point of time during the auction period. However, if the auction is cancelled and new auction dates are announced, the earlier Auto Max Bid/value shall have no relevance. After fixing his highest limit, the manual Bid button will be disabled. The system will automatically bid on his behalf, based in the auction's H1 price. His bidding dashboard will show his Rank, the H1 price and the highest bid ongoing in the auction. Until his auto-bid amount is not reached (in the H1 price Box) for the material in the e-auction, the manual Bid button on his screen will remain disabled. Once his auto bid amount reaches or crosses the Auto Max Bid/value amount, then he will have to bid manually otherwise the bidder may opt for auto bid again by setting a new maximum bid amount.
- x) **Max multiples of increment value allowed per bid:** Bidder can quote the next H1 price up to current H1 price + (plus) the maximum allowed multiple of incremental value.
- For these auction Max Multiples of increment value allowed is 10 Times of the incremental value.
- Example: Reserve price=1,00,000, increment value 10,000 max multiple of increment allowed =10 times i.e., Rs.1,00,000/-
- If Current H1 value = 1,00,000 maximum next bid can be = 2,00,000 i.e., 1,00,000 (current H1) + 10,000 (increment value) x 10 (max multiple of increment))

- xi) **Preferred Bidder:** At the end of the forward auction, OSHB shall decide upon the winner based on the highest bid placed for the scrape material under auction and subsequent acceptance by OSHB. In this regard, the decision of OSHB shall be final & binding on all the bidders.

In case the highest bid stood cancelled or highest bidder withdraws from the bids process, OSHB shall have the right under forfeit the Bid security and e-bid participation charges of H1 bidder and OSHB at its own discretion may select the second highest (H2) Bidder for the Project (with negotiated price); or select the third highest (H3) Bidder for the Project (with negotiated price); or to start again the E- auction process from the point, where it ended during the earlier process; or take any such measure as may be deemed fit in the sole discretion of OSHB, including inviting other bidders H3, H4 for negotiation or fresh E-Auction from the qualified Bidders or annulling the entire Bid Process.

19. HIGHLIGHTS OF E-AUCTION

- i) **E-auction portal Registration:** The bidder(s) are required to get registered online in the e-auction portal with Class III Digital signature (refer DSC Manual for details and support) and keep themselves ready for the e-auction.

ii) AUCTION REQUEST COMPLETION PROCESS OF e-AUCTION PORTAL

N.B: - After uploading of all required documents, bidders are requested to pay Auction fee and EMD amount, after that he/she has to click on "Generate Acknowledgement" & generate/download the auction submission acknowledgement for scrap material on real time and note down the bid control number for future reference. **Without auction submission acknowledgement in schedule time, even if bidder paid their EMD amount/uploads mandatory document, the auction portal can't recognize the bidder and he/she may not take part in e-bid participation of Auction.**
